SUBJECT: Transfer of Homeland Security Grant Program

The 2013-15 biennial budget legislation recently approved by Governor Walker included a provision to transfer the administration of the federal Homeland Security Grant Program (HSGP) from the Office of Justice Assistance to the Department of Military Affairs (DMA).

As of July 1, all open HSGP subgrants are being administered by DMA. This transfer will occur automatically; there is nothing that subgrantees need to do. All open HSGP subgrants will remain in place.

DMA is working with OJA to transition Egrants for DMA use. Until that transition is complete, subgrantees can continue to access Egrants and all other forms and documents at the OJA web site at <http://oja.wi.gov/>.

OJA staff responsible for administering the grants are transferring to DMA and will continue to administer the grants. If you have questions about your grant you may contact:

Program Contact	Michael Jordan	michael.jordan@wisconsin.gov	608-261-7529
Fiscal Contact	Deb Hughes	deb.hughes@wisconsin.gov	608-261-4375

We are working hard to ensure a seamless transition with minimal disruption of service to subgrantees. If you need additional assistance, please contact the Homeland Security Program Director, Lara Kenny, at 608-266-9544 or lara.kenny@wisconsin.gov.

There will be additional communication regarding our internal procedures and points-of-contact as the transition is completed.
